Database & Website Update

Instructions: "Members Only" Areas

PERSONAL PROFILE AND INFORMATION TAB

1. In the "*My GGQ*" tab click on "*My Details*" to access your Personal Profile and Information page

2. Once you are logged in, you can change your password through the "*Change Password*" link. We strongly recommend that you do this on your first visit to the website to protect your privacy and that of our girls.

3. Check your address and contact details and update if necessary (you can edit the information anywhere you see this symbol ✏)

4. Please pay particular attention to your email address to ensure this is correct. Email is fast becoming our main line of communication and will be essential for receiving your Member reports.
